'Compromise' Freeway Route Study Unveiled

State Division of Highways is studying a "compromise" route for the Daly City freeway, according to Councilman Francis Pacelli, City Freeway Committee chairman.

Pacelli, who said a final vote of the compromise route has

not been taken by his committee, reports the new plan "appears acceptable to most of the parties concerned."

The compromise route is a modification of state-suggested Alternate B, along Junipero Serra. The state thus is studying five routes here, although only one will be constructed.

The compromise route, according to Pacelli, runs south about 150 feet west and parallel to Junipero Serra, bordering Lake Merced golf course—a move that would require an agreement with the course owners. The route then would cross over Junipero Serra at School street, in front of King's Market, thence run slightly east of and parallel to Junipero Serra, finally curving south of St. Francis Heights subdivision, north of old Chinese cemetery.

The compromise route would complete its circuit at Skyline for connections south and to Edgemar freeway, Pacelli said. Only land affected would be portions of the vast, undeveloped Christen dairy property.

Pacelli said this compromise route would "least disrupt business and developments" along Junipero Serra, and "I'm sure we can secure agreement" (Continued on Page 2)

Chief Kennedy Heads Peninsula Fire Association

Elmer Kennedy, Daly City fire chief the past 14 years, last week was elected president of the Peninsula Fire Chiefs' Association in a meeting at Los Altos.

The association includes members from San Francisco, San Mateo and Santa Clara counties.

Kennedy, 50, was born in Daly City and has been an active fireman for 30 years. A resident of 301 Vista Grande, the chief has three children. Jack, 25, is a graduate of San Francisco State; Jane, 21, will graduate from University of California next month, and Diane attends Jefferson High.

ELEMENTARY SCHOOLS' TAX HIKE LOSES!

Jefferson Elementary School District's 70-cent permissive tax hike was rejected Tuesday by 431 votes. Totals from the 10 precincts were 1365 "no," and 934 "yes."

The setback, according to a district spokesman, will cause serious cutbacks in personnel and classroom curriculum projections—all of which depend on operating funds.

The election had sought to raise the operating tax from \$1.50 per \$100 valuation to a maximum of \$2.20 per \$100.

The district's dilemma can't be solved unless another special tax election is called before the end of July—when the '58-'59 budget is formed.

Heaviest move Tuesday against the tax hike came in the Crocker, Woodrow Wilson, Jefferson and Colma precincts. Almost one third (450) of the "no" votes were cast there.

Ordinance Hits Trucks, Parking

Two key measures in the new city traffic ordinance were reviewed by the council Monday night.

One restricts truck traffic on Hillside boulevard to vehicles less than five tons. The second makes parking illegal on the east side of Junipero Serra to 750 feet north of the School street intersection.

Tiny's Place... Yes Another Burglar!

Burglars again belted Tiny's Tavern, 6045 Mission, in the wee hours of Sunday morning. Entering via the ladies' powder room, the thief raided the cigarette, pin ball and juke box machines for small change. Again, it was co-owner Abe Rosenstein who reported the break-in to police.

Council Calls Subdividers On Rec Sites

Councilmen on Monday night moved to call a "multi-party" conclave at their study meeting next Wednesday night to expedite the quest and planning for recreation sites in new Doelger and Zita sub-divisions.

Mayor Michael DeBernardi suggested the council and recreation commission meet with Doelger and McKeon representatives to talk sites in the new developments, south of old Edgemar road.

Meanwhile, the recreation commission Tuesday was scheduled to inspect two sites in the Palisades, one to be acquired from Doelger, the second to be leased, courtesy of the Lutheran Church, for a ball diamond.

DeBernardi, after asking advice of Fire Chief Elmer Kennedy, got council authorization to have the city engineer get a map of the new fire station site, then meet with Doelger and McKeon to discuss the transaction. Under agreement with the city, the two subdividers must give Daly City three lots for the fire site. Kennedy urged quick action and installation of conduit lines.

The council tabled for more study a request by landlord A. F. Hanson for increased rental fee on Firehouse 2, 255 Vista Grande, from \$20 to \$35. Kennedy said the recreation department was using the facility now and termed the rent increase "a fair request."

Council moved to hold study sessions beginning June 19 on Thursday nights instead of the present Wednesday schedule. They did this as a courtesy to Councilman Edward Dennis, due to a conflict in his union meeting commitments. He's president of the Milk Drivers' Union.

Hizzoner, The Judge... Which One?

SCRAMBLING for majority vote in Tuesday's primary election are municipal judge candidates (left to right) Charles Becker, John J. Fahey and Antonio Gaudio. Job at stake is the bench of the Northern Judicial District, headquarters South San Francisco.

37 CANDIDATES, 23 OPENINGS

Primary Offers Many Tight Duels

San Mateo County voters Tuesday trek to the polls in the June primary to decide which of 37 candidates will occupy 23 local, state and federal offices.

Residents here have focused prime precinct concern on no less than six heated races, headed by the two-man fight for district attorney and the three-candidate scramble for municipal judge of Northern Judicial District.

Bocci Bid

Judge Thomas L. Bocci Jr. of Colma seeks to unseat incumbent Keith C. Sorenson in the unpredictable district attorney duel. Bocci, 35, leaving the municipal bench in his D.A. bid, and Sorenson, on the job since 1953, have exchanged stormy publicity statements. Bocci challenging Sorenson on the inference in latter's motto, "Keep the County Clean." The Colma jurist believes he can administer the office better and with more vigor than has Sorenson.

Successor to Bocci on the South San Francisco municipal bench will be contested by

three veteran attorneys—Daly City's Charles Becker, 42, 5 Fieldcrest drive; Colma's John J. Fahey, 50, 1540 Sweetwood, and Antonio Gaudio, 46, of South San Francisco. Daly City and SSF returns should hold the balance of victory.

FIRE, POLICE CHIEFS SEEK NEW PERSONNEL

Third special study session on the preliminary budget for fiscal '58-'59 will be held by councilmen this Thursday night, beginning at 8 p.m.

In another post-midnight session last Thursday, the council reviewed the requests of the fire and police chiefs for new personnel.

Chief Elmer Kennedy's main request is for six new firemen and a new piece of equipment for Westlake area service. Chief Roland Petrochich asks four new patrolmen "to adequately maintain four beats on a three-shift basis."

While realizing the needs of both key departments, Councilmen recognized that a compromise would have to be worked out, and other cuts made in the balanced budget to bring fire and police up to par.

Fire department strength is much below standard in comparison to other cities of similar size. (Continued on Page 2)

CUPID VISITS FACULTY PAIR AT JEFF HIGH

A Daly City school principal and one of his teachers will be married on June 17, it was announced today.

Principal John Morgan of Jefferson High has altar plans with Miss Eunice Mary Seaton, 12-year district veteran who teaches dramatics and chorus in the English department.

Morgan, Jeff principal the past three years and with the district since 1938, said his attractive bride-to-be will retire from teaching this June. Her resignation was accepted "with regret" by the administration and trustees Monday night.

Supt. Edward Morgan commented: "We're losing a top teacher but our principal is gaining a wonderful wife."

Aileen Suber To Resign As Principal Here

Aileen Suber, veteran teacher and principal in Jefferson Elementary School District, has submitted her resignation to trustees and will retire this June.

The principal of Garden Village School is the second district veteran who will end duties here next month. Marie Traynor of Jefferson school announced her resignation earlier.

On her decision, Miss Suber said: "The rapid growth in the community has been fascinating to me; my years of teaching experience have not only been interesting, valuable and most rewarding, but very happy ones."

A native of California, she is an alumna of San Francisco State College and took graduate courses at University of California, USF and San Francisco Women's College.

Most of her teaching here was in the eighth grade, though she instructed at many levels. Her first principalship was at Crocker School under Supt. William Savage. She next moved to Woodrow Wilson School under Supt. Richard Crane, and in 1950, she was asked by Supt. James L. Snell to head Garden Village School. She has been principal there under Supt. Henry Weibel since then.

She did not disclose her plans as "definite," but hinted she would do some traveling before embarking on something new.

3-2 Move Nixes Bid For 'Study'

Again by 3-2 vote, the city council majority Monday night rejected a request by Councilmen Joseph Verducci and Francis Pacelli that they hire "an unbiased, professional firm" to survey the status of the city manager, whose "dismissal" comes to a vote July 28.

At the same time, the council by 4-0 vote nixed a bid by Robert Hirsch, Westlake member of ACTION (pro-Stites faction), to adopt a "vote of censure" against Mayor Michael DeBernardi for alleged "illegal practices" in ordering a halt to Palisades reservoir work "without full council approval."

Plea for the survey was made by Verducci and Pacelli in a letter to the council, stipulating that the Louis Kroeger Associates of San Francisco, would make the survey on the manager for a fee of \$150 a day, lasting about 10 days, for a total expenditure to the city of about \$1600. Verducci and Pacelli maintained the survey would help to evaluate the city manager and establish criteria for the council in the selection of a successor to Stites, should the majority vote oust the manager on July 28.

Verducci's motion for the survey was seconded by Pacelli, but DeBernardi, Edward Dennis and Councilman Robert St. Clair nixed the idea.

DeBernardi said the council couldn't "preface" St. Clair's motion last month which asked that a vote on Stites' status be made after 90 days, as per law. While both DeBernardi and St. Clair said they were in favor of a committee to set up pre-

Dave Johnstone, 'Cleared' Cop, Back On Force

David Johnstone, reinstated Daly City police officer, was back on the job Tuesday, ending an episode that began in May of 1955 when he was fired for his alleged association with a former bookie.

The 41-year-old veteran, under the agreement okayed by his attorney with the council, is due about \$400 in back pay and will be paid at the same rate he received as an inspector when he was dismissed.

Johnstone, still listed as a patrolman, will get inspector's pay until the next sergeant's exam is held. Then his pay scale reverts to the patrolman level, whether he passes the exam or not.

Should he pass the civil service test, he will be eligible for sergeant, if he ranks in the top three and if a vacancy exists. He also must be appointed by the manager with council approval.

The \$400 due Johnstone is the differential between what he would have earned had he not been fired and his salary on the truck driver-salesman's job he had during his suspension.

The council, ordered by the court in late March to restore Johnstone to his job, asked him to return April 1.

Trustees Okay Hi School Site Tests On Coast

Trustees Monday night gave Falk — Booth architects go-ahead to take soil tests and further surveys at what the latter termed "the most favorable" of six studied sites for a high school in Linda Mar.

Property involved, described as the most feasible for cost, usable acreage and location, is a 40-plus acre strip at the north end of Linda boulevard, owned by the Messrs. Bernardi, Russi and Norton.

Only main expenditure on the property would be the need to route two creeks into conduit, much less expensive than constructing a road to the nearby Piccardo-Higgins site, second in suitability, according to Falk-Booth.

Meanwhile, progress for the third high school in Sharp Park finds that seven of the 15 (Continued on Page 2)

IN WESTLAKE

City Gets Library Site

Doelger Corporation Friday turned over the deed to the city for a new library site in Westlake—a \$20,000 transaction that has been in the mill more than two years.

Daly City budgeted the site purchase funds last year and councilmen Monday night made a routine transfer of the deed to escrow to finalize the transaction.

Date of opening construction of the new library hinges on the "priority" the council extends the project in view of other budget needs from capital outlay funds.

The site, on the Southgate commercial strip, has a 176-foot

frontage and a depth of 100 feet, according to city manager Howard Stites. The building's projected total space will be 6500 square feet, as recommended by Librarian Samuel Chandler and the citizens' sub-committee.

The deal with Doelger involves exchange of a triangle-shaped small parcel of city-

owned land on the "hump" extension for a similar strip on the corner of the library site lot.

Stites said the new library will replace the Westlake branch, located at 34 Park Plaza drive, which costs the city about \$125 a month to lease.

The council Monday renewed the one-year rental agreement on the Westlake branch.

Mrs. Grace Woods, member of the library commission, Monday night praised the council and Councilman Robert St. Clair, in particular, for speeding the library agreement with Doelger.

The council wanted too purchase the parking lot area, but the price asked by the railroad was held too high. DeBernardi said the proposed survey would involve a check by persons "not familiar with the Daly City scene," and said the "guides to the future," as voiced by Verducci as one objective of the survey, "would make a 'yes' man out of Stites' replacement."

Dennis cited the survey plea as a "waste of public funds," stating that "it was the majority prerogative to ask Stites to resign."

"He's (Stites) making a dying and lame duck fight," stormed Dennis, and "it just won't do any good in view of our decision." Dennis went on to say that the South San Francisco city manager was doing a "much better job than Stites, for less pay."

Stites, minutes later, denied he was encouraging the movement to keep his job. "I think this would not be ethical, and I want to go on record to say that I have never participated in any activity to embarrass the council or try to force it to resign."

County Scouts To Decorate Graves Friday

Six hundred Cubs, Scouts and Explorers of the San Mateo County Council, Boy Scouts of America, will have the privilege and honor of decorating graves in Golden Gate National Cemetery prior to Memorial Day services this Friday.

The service will be under the supervision of the Council Commissioner Staff, directed by District Commissioner John T. Montgomery of San Bruno.

"We can never fully repay the sacrifice signified by the thousands of graves, but we can honor and remember them by participating in the decoration of the graves and attending the Memorial Day services," Montgomery said.

As in past years, this pre-service decorating will be done in cooperation with the San Mateo District of the American Legion.

The decorating is scheduled to begin at 8 a.m. and be completed by 8 or 8:30, in time for the 9 a.m. service. The boys will assemble at the west gate of the cemetery.

Units participating include Packs 79, 80, 276, Troops 60, 77, 279, 280 and 298 all from South San Francisco; Pack 84 and Explorer Post 84 from Broadmoor.

Edward R. McDonald Supervisor X ELECTION, TUESDAY JUNE 3, 1954

We're doing our best to help ourselves

A statement dealing with the fundamentals of running a railroad

You probably have heard or read a good deal lately about the troubles of the railroad industry... regulative, competitive, legislative... and depressive.

You can be helpful... and we will be grateful... if you will add your voice to others who are asking for fair, non-political treatment of the railroads, such as is recommended in the report of the Senate Committee headed by Senator Smathers (and proposed in Senate Bill S. 3778).

But in the meantime...

We want you to know that Southern Pacific is doing its very best to help itself.

We try to operate as a sound, going concern, in our own interest and in yours. This involves reducing operating costs. At times, and particularly now, this requires severe economies.

We are also trying to get rid of those passenger trains that are little used, serve no useful purpose, and cause huge out-of-pocket losses. We have just discontinued one train that cost us \$1,800 a day and brought in only \$12 a day in revenue. Such efforts bring criticism, but we think this policy is best for shippers, and in the long run for travelers who actually use trains.

We are trying to adjust our freight rates so as to regain business that has been lost and also act as an incentive to develop new traffic. Some shippers are pleased and sometimes others object.

It's easier to say "Yes" than it is to say "No." We'd like to please everyone but that just doesn't seem possible.

The best policy we think, and the one we try to follow, is to bring the greatest good to the greatest number and at the same time keep solvent.

It should be obvious to regulatory commissions, and to thoughtful shippers and travelers, that a solvent railroad is much better able to serve its territory well than a weak, money-losing one.

D. J. RUSSELL
President

We operate in large figures, but it is the relationship between income and outgo that counts, whether a business is large or small.

THE 'PRIMARY' RESPONSIBILITY

Voters get a real workout next Tuesday in the June 3 primary to decide the men and issues on local, state and national levels.

The ballot is as long as the proverbial rope for next Tuesday's big decisions, so citizens should carefully "take their time" at the precincts.

For San Mateo County residents, there's a field of 37 candidates for some 23 local, state and federal jobs.

Local interest centers on three expectedly tight contests—district attorney, municipal judge and county assessor. Two berths on the county board of supervisors also loom close affairs. State-wise, the 25th and 26th Assembly District races top the concern, while the main federal scramble is for the 9th District Congressional seat.

Endorsements for candidates have been shifted by this newspaper to the people, believing that each of the above-mentioned races deserves full deliberation on the basis of each candidate's record and potential to serve efficiently.

Since the primary is the first step to the ultimate showdown for public offices, response at the polls will be heavy and enthusiastic.

The candidates this week conclude their exhaustive campaigns for support. The responsibility next Tuesday rests with the voters, and the more response the better for conclusive results.

MEMORIAL DAY... A RESOLUTION

WHEREAS, each year the 30th day of May has traditionally been set aside as a day for special observance, one on which to honor the departed Veterans for loyal service to their country; and

WHEREAS, each year since the year 1868, this day has generally been devoted to the display of our nation's flag; to the decoration of graves; and to the holding of appropriate exercises in the various cemeteries throughout our land; and

WHEREAS, in accordance with this tradition "Decoration Day ceremonies" have been held each year, since its dedication, at the Golden Gate National Cemetery at San Bruno, California, under the joint auspices of the San Mateo-San Francisco United Veterans Coordinating Committee, assisted by the various veteran county councils and their auxiliaries, the Benevolent Protective Order of Elks, and the San Mateo County Council of Boy Scouts;

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that Friday, May 30, 1958, shall be and is hereby declared an official holiday throughout San Mateo County; and that on this said date the flag of the United States of America shall be dutifully displayed on all public buildings in the County.

General observance by all county residents, through display of the flag and/or attendance at the Memorial Day ceremonies at Golden Gate National Cemetery, "The Arlington of the West," at 10:00 A.M., May 30, 1958, is urged and invited as a voluntary expression of patriotic support for this most impressive program.

Daly City-Colma Lions Club will conduct an all-out drive, from June 2 to June 9 to sell electric light bulbs to residents, according to an announcement made today by Club President John Redruher. Every cent of the proceeds will go to youth activities.

The bulbs will be sold in bags, at the regular price \$1.99. Every householder can use light bulbs, and this drive affords an opportunity to buy a good supply, while helping a most worthy cause.

The entire membership of the Lions Club has been organized to supply friends and neighbors with bags of bulbs, and business firms in the area will cooperate by serving as bulb distribution points.

In this campaign, the Lions Club will be assisted by Cub Pack 244, The Klutch Kings, and the Police Athletic League. Headquarters for this campaign will be the Hilltop Market, 6315 Mission street. Boys from the Police Athletic League will handle sales from this location.

Brisbane Troop 64 Schedules Camp-Out

Girl Scouts of Troop 64 in Brisbane will camp out this Memorial Day weekend at Camp Merced, according to their leader, Mrs. Ruth Wooden. Co-leader is Mrs. Dorothy Dettmer.

Nadine Lorentz, life guard, and Mrs. Marie Spencer also will accompany the girls. The project is a preview to the Brisbane Troop's excursion to Oregon and Nevada this summer.

Local Girl Scout Committee Heads Review Progress At Final Meeting

By Servart Ojakian

District committee members for the Daly City-Colma-Bayshore Girl Scouts, held the last meeting of the season recently at a luncheon party, at the El Rancho Motel in Millbrae.

A short business meeting followed at the Parkview Scout house. Under old business, it was reported that the cooky sale added a profit of over \$15,000 toward the Girl Scout camp fund. The money is used for maintenance and operation of both Day and Established Girl Scout camps. Due to the marked increase in membership, an extra session has been added at Camp Sonora, making it four instead of the usual three of former years.

Mrs. G. Wisler, registrar, reported that there are now 72

Girl Scout troops in this district. Others are being organized.

It was reported that the Folk Dance Festival scheduled for June 7, was progressing smoothly. This is to be a gay affair taking place at Marchbanks Park on Saturday, from 10 to 2, with time out for a nose-bag lunch. It is admission free and the public is invited.

Those in attendance at the luncheon included: Mrs. D. Williams, District chairman; Mrs. M. Bram, Broadmoor; Mrs. E. Heagney, Parkview; Mrs. K. Bayshore; Mrs. L. Swanson, secretary; Mrs. G. Wisler, registrar; and Mrs. F. Windhurst, Peoria.

District meetings will resume in September.

MARCHBANKS PARK

Girl Scouts Prepare Folk Dance Festival

By Servart Ojakian

'Tis Springtime for 300 Daly City Girl Scouts, and in order to celebrate, they will "trip the light fantastic" in a gala Folk Dance Festival at Marchbanks Park on Saturday, June 7, from 10 a.m. to 2 p.m. Admission is free and everyone in Daly City is invited to attend and enjoy the fun.

The girls participating will range in age from the sweet and demure 7-year-old Brownies to the glamorous and self-possessed high school-age Senior Scouts. The girls are those from the Parkview, Sterling Park, and Peoria neighborhoods.

A sneak preview on costumes indicates a brilliantly colorful and gay spectacle.

Every color in the rainbow is represented and a special "thanks" goes to the many mothers who are making them.

Mrs. E. Heagney, Parkview neighborhood chairman, in Scouting for more than 15 years, will make the welcoming speech, to be followed by the flag ceremony.

Nearly all of the 300 Girl Scouts will do all the following dances under the direction of Mrs. J. Strong: Oklahoma Mixer, Patty-Cake Polka, Circle Schottische, Crested Hen, Milanova Kola (a specialty dance), Mexican Schottische Mixer, Pop Goes the Weasel, Gustav Skol, Cumberland Square, Fireman's Dance, and the Virginia Reel.

The Town Record

By Roy Hurlbert

Plumbing contractor DON LESH, 417 Castle street, wants all to know that his next-to-last finish in the elementary school board race was "understandable."

Don's 165 votes were "token" gestures only. Lesh withdrew from the race a couple of weeks before the balloting. Too much business to run at this time.

The Hillside PTA president says he intends to be a candidate in the near future. Has quite an interest in school affairs.

Trustee JOSEPH LEWKO-WITZ, rumored as new chairman on the shuffled JESD board, rubbed elbows with some mighty mites in education during the national convention in Florida. Sitting next to DC Joe at one seminar session was none other than Dr. James Conant, former president of Harvard and U. S. Commissioner to the West German Republic of Bonn. Conant knows more than the 3 r's.

Which is which?

William Foard, who labors for the local school district in maintenance, and CHARLES "Gus" FORD, city public works employee, aren't one and the same. Seems we got 'em confused in a recent yarn Foard's friends flooded him with calls, congratulating him for his rumored new job with the city. Should have been Ford—minus the "a." Gus was the gent we had in mind.

Matter of phonetics (sounds the same), folks.

Though last in the league, Westmoor High's young baseball team this spring sported some solid sophomores. Best of the bunch is catcher TOM McHUGH, Broadmoor product, who was given a look-see here Friday by DOLPH CAMILLI, major league scout for the Phillies and one heckuva player in his day.

Westmoor this fall will have its varsity football line anchored by 6-7, 270-pounder TINY VILLINES, a Coastside kid with surprising speed for a lineman.

Only Councilman BOB ST. CLAIR, himself a mere 6-8½ and 270, will be able to look down on the big Daly City prep. For a while, at least. Villines is only 15 years young.

We pray the fourth annual "Miss Daly City" contest, judging next month, will attract at least a dozen of this town's fairest.

Past entry lists have been so small it's downright embarrassing for a city that's "first" on the Peninsula. Maybe we can crank up

Dear Mr. Bradshaw:

The Friends of the Daly City Library has the honor to present as guest speaker at their annual meeting last Thursday, Luther Nichols, book editor of the Examiner.

Nichols was far and away the best speaker we have had, and his talk was informative, witty and challenging on a completely mature level.

I am proud that my duties in our organization involved doing what I could to publicize this important event, and in this I was strongly supported by you and your staff, with whom the publicity department of Friends of the Daly City Library have always been on the most cordial terms.

As a member of the outgoing board, I wish to thank the Marchbanks Publications for their many past courtesies.

Demo Spokesmen Challenge Rival Candidate's Backers

Dear Editor:

We wish to protest against the false and misleading article in the last edition of your paper which was headlined, "Two Prominent Demo Leaders Back Francis."

In the first place, the two men named are not Democratic leaders, let alone prominent Democratic leaders. This was an obvious attempt to mislead the voters into believing that their assembly candidate, who is a Republican, had support from the Democratic leadership. The truth of the matter is that every prominent Democratic leader in San Mateo county is backing Leo Ryan, a Democrat, for assemblyman. Ryan was unanimously endorsed by the Democratic County Convention attended by over 200 delegates.

Secondly, the article attempts to confuse the voters as to the candidate's political affiliation. Leo Ryan is a Democrat, proud to be running on the Democratic ticket. Is his Republican opponent ashamed or afraid to announce the fact that he is a Republican?

We feel we have the right to expect fair and honest reporting. To that end we sincerely hope you will see fit to print this letter.

grandma if the response is light again this year. Old fashions have returned to vogue, remember?

City of Pacifica, given a good sendoff in its scissor-cutting for the Edgemoor freeway last week, is becoming neighborly to our folks. Council down yonder recently went on record to back Daly City's opposition to a freeway in DALY CITY.

Now that Pacifica is standing on its own feet, it's nice to know its council is cooperating with its northerly cousin.

Nothing's too good for Daly City's high school kids. Sites for their "Senior Balls" this Thursday night: Jefferson, St. Francis Hotel, and Westmoor, Sir Francis Drake. Our students go stepping in style.

WOODROW WILSON

Elementary School District Sets Summer School, June 23-August 1

Summer School for Jefferson Elementary District youngsters who need remedial work will be held at Woodrow Wilson School, for six weeks, June 23 to August 1, Dr. Vinton Stratton, director of instruction, announced today.

Children presently in grades 1 to 7 are eligible to attend, Stratton said. Purpose of the summer school is to allow students to "catch up" in their education—those who missed classes due to heavy absence illness, and double session short hours.

Last year 96 pupils in seven classes attended summer ses-

sion. Enrollment is expected to exceed 100 this time.

Teachers have notified parents with recommendations that certain youngsters attend this summer. Conferences between teachers and parents will help the latter to decide if they will enroll their children.

Classes will be conducted from 9 to noon, Monday through Friday. Faculty of the summer session has not been determined as yet, Stratton reported.

Parents wishing to enroll students should contact principals of the individual schools or the classroom teachers.

Fontana Says 'Thanks,' Cites JUHS Progress

Dear Editor:

To my friends and voters responsible for my successful reelection to the Jefferson Union High School district Board of Education, I extend my sincerest appreciation for their help.

In the past, I have made every effort to work with the board and the administration, in providing the district the proper needs and facilities required to make this a good high school district.

During the past six years, our high school program has been a good one. A few of the board accomplishments have been: purchase of the Westmoor Site, building of the cafeteria building on the Jefferson grounds, purchase of the Sharp Park property, completion of the first increment to Westmoor, preliminary plans for the acquisition of a Linda Mar site, employment of an excellent educational staff, complexities of working on a state aid program for the first time, adoption of district-wide policies, and many others.

The fantastic growth of our area, in terms of future high school enrollment, demands the utmost of our administration, teachers and board of education.

Our problems are not getting smaller. They are getting bigger. Working together with an administrative staff under the expert guidance of our school superintendent, Edward Morgan, I will make every effort to join the board towards one important and common goal... "A good high school system for our children."

With sincerest regards,

Postponed Hearing On State College For SM County

State Assemblyman Louis Francis reported today that the full hearing for the need of a state college in San Mateo County, tentatively set for this month, is postponed for two months.

Francis, who officially requested that the hearing be held as soon as possible after the final adjournment of the 1958 State Legislature, was advised that the postponement is necessary because of the late adjournment of the prolonged sessions of the State Legislature.

Francis announced that he and Assemblyman Carl A. Britschgi of Redwood City, are forming a citizens committee for the purpose of gathering and presenting all facts and statistics pertaining to the establishment of a state college in San Mateo County to the liaison committee of the State Board of Education and the Regents of the University of California, the State Board of Education, and the Assembly Interim Committee on Education.

WESTMOOR HIGH WINS PRESTIGE FOR ARCHITECT

Architect Mario J. Ciampi, the San Franciscan who designed Daly City's Westmoor High School, today found himself ranked among the architectural elite.

Two of his schools—Westmoor and Sonoma Elementary—last week were among the five buildings selected to receive First Honor Awards in the American Institute of Architects' 1958 competition for outstanding architecture.

Ciampi and the Jefferson Union High School District will receive awards for Westmoor at the annual AIA convention, July 7 to 11, at Cleveland, Ohio.

STREAMLINED Westmoor High School this week brought national attention to Daly City as Architect Mario Ciampi was awarded first place for the Westmoor plant in annual judging for outstanding American architecture. Of five top prizes awarded by American Institute of Architects, the Westmoor designer won two. Ciampi's second award was for Sonoma Elementary School.

Washington—Senator Thomas H. Kuchel of California announced today he will have vacancies to fill next year at all four of the nation's service academies and tests for candidates for nomination to West Point, Annapolis, the Air Force Academy and the Merchant Marine Academy will be given July 14.

Kuchel invited application from California youths who will be between 17 and 22 at the time they would enter in the summer of 1959 and who wish to take the preliminary scholastic examinations to be given this year in 46 California cities.

He also can nominate 11 young men who will compete for one vacancy at the Air Force Academy, which is adopting a new admission method for the class of 1963, and ten aspirants for the Merchant Marine Academy which makes final selections after further scrutiny of all nominees.

Deadline for certifying candidates to take the Civil Service Commission examinations will be June 9, Kuchel announced. All California students interested in seeking a career in one of the four services should notify his office of their desire to take the tests by that date.

BUSY MEETING

Outer Spacemen Look Back (Ahead) To Feature Snell PTA Progress

By Elaine Rosendahl

Outer spacemen invaded the James L. Snell PTA meeting last week and startled all of its members, by looking back 40 years in retrospect at historical events of the units during the school year, 1957-1958.

Adorned with a spaceman's helmet and ray gun, Mrs. Fred Smith encountered Mrs. Walter Erickson, with a radar antennae bedecked beanie, and walking sandwich signboards advertising home lots on Mars, and reminisced about the past year's accomplishments and expressed their many thanks to all the chairmen, room mothers of Garden Village and Benjamin Franklin schools, and members, who had worked diligently to insure a successful year.

"Playground Patterns — Past, Present and Future," was introduced by Michael Orlich, Snell recreational chairman, giving the history of the summer recreation program and its growth into a year-round activity. John Belforte, Garden Village summer play-

ground director, elaborated on the coming summer's program with the display of a ten-foot daily activity schedule sheet. Elman Rose, supervisor of all school playgrounds, narrated color slides that had been taken of recreational activities and participants. This summer's program will begin on June 16, beginning with registration. There will be diversified activities for all ages, including pre-schoolers. Music and hobby time are new additions to this year's schedule.

At the conclusion of the meeting, Mrs. Fred Smith introduced the new president, Mrs. Kenneth Gillespie, and presented her with the gavel. Mrs. Gillespie reciprocated by endowing Mrs. Smith with the past president's pin and expressing the unit's deep appreciation of her untiring efforts throughout the year.

Mrs. Thomas E. Daly Takes Gavel As W'lake Catholic Women Install

By Pat Brown

Receiving the president's gavel Sunday at the installation breakfast of Westlake Catholic Women was Mrs. Thomas E. Daly, who succeeds Mrs. Walter J. McElroy Jr.

The affair, which brought to a close the activities of the 1957-1958 year, was held at the Olympic Club at Lakeside. Three hundred ladies of Our Lady of Mercy parish and their guests were present to see the new officers installed and to compliment outgoing officers. Mrs. Charles Lee, outgoing treasurer, was chairman of the day.

In remembrance of the occasion and in appreciation for her leadership the past year, Mrs. McElroy was presented a silver bowl, engraved with "sentiments of thanks" from the Westlake Catholic Women, by Mrs. Daly.

Before assuming the role of president, Mrs. Daly had served on the board in past years as National Council of Catholic Women representative, social director and spiritual activities director.

Installed also were: Mrs. Robert Markey, vice-president; Mrs. Frank Kelechava, first director—spiritual activities; Mrs. William J. Brown, second director—social activities; Mrs. Hans Hemmerle, third director—youth and Christian doctrine; Mrs. Peter Constantine, fourth director—membership and census.

Other new officers are Mrs. Robert Martini, treasurer; Mrs. George Bigon, recording secretary, and Mrs. Paul Churchwell, corresponding secretary.

Mrs. James Pidgeon is the National Council of Catholic Women representative, Mrs. John Cresalia the publicity di-

rector, and Mrs. Edward O'Hara the historian.

The chairmen of the various activities are: Mrs. William A. Rowe, Altar Society; Mrs. John Grealish, Sodality; Mrs. Andrew Collins, day of recollection; Mrs. Edward O'Donnell, Parochial school; Mrs. Alfred Jachetta, game night; Mrs. Aldo Della-Santa, refreshments; Mrs. Leo Allaert, Christian doctrine; Mrs. Donald Castronovo, Mercian club; Mrs. George Snell, transportation; Mrs. Thomas Nash, hospitality.

Appropriate to the occasion, a religious theme prevailed in decorations. On each table stood tall white willow reed crosses, with flowers clustered at their centers. At the speakers' table a statue of the Madonna was silhouetted against a larger white cross, whose flowered center formed a halo over the head of the Blessed Virgin's statue.

Father Richard Power, pastor of Our Lady of Mercy Church, congratulated the outgoing officers on "a splendid year of accomplishments" and welcomed the new officers.

Among the guest speakers were Father Timothy Monahan, assistant pastor, and Mrs. James Duryea, past-president of Westlake Catholic Women.

Kirkwood 'Strong' In Re-Election Bid For State Controller Duty

Supporters of State Controller Robert C. "Bob" Kirkwood today predicted victory for the incumbent next Tuesday in the June primary election.

Known for his integrity and non-partisan, "middle of the road" approach, Kirkwood was appointed to his present post by former Governor Earl Warren in 1953. He was elected to the job the following year by an overwhelming majority.

A native of Mountain View, Kirkwood, 49, in his long public service career has served as a school trustee, county planner, and four terms as a state assemblyman, 1946 to 1952.

Kirkwood attended public schools in Palo Alto and was graduated from Stanford University in 1930. The incumbent then studied at Harvard Law School, receiving his LL.B. degree in 1933. He was admitted to the California bar the same year.

For six years, Kirkwood prac-

ticed law with a leading San Francisco firm. He then moved to Santa Clara county to work and manage farm and orchard properties. But his interest in government—city, county and state—prompted his return to active civic duty and leadership.

While serving with the state legislature, Kirkwood was widely recognized as an authority on school, tax, water and fiscal policies and legislation.

Highlight of his legislative career came during his third term. He spearheaded the successful move to rid the powerful Assembly Rules Committee of lobby control. In the first committee selection by democratic methods, he was elected a member of the Rules Committee with the highest number of votes given a candidate in party caucus of his fellow legislators to either a Democrat or Republican.

Candidate Says White Street Plan 'Critical'

County Planning Commissioner Vera Eskin, candidate for County Supervisor in the June 3 primary election, today teed off at the "incredible inattention, forgetfulness and lack of knowledge among the supervisors" concerning White street, the long awaited "link" between Westlake and Broadmoor.

"Any supervisor worth his salt should know, without taking a field trip, that the need for White street is critical and that this need was obvious 15 years ago when the plan line was mapped for White street and the land was set aside," Mrs. Eskin charged.

"And since they felt they should take a field trip to acquaint themselves with the situation, why didn't they take it before the scheduled hearing at which they were to decide whether to accept an estimated \$25,000 worth of fill-at-no-cost—that will be necessary before construction can be started," she added.

"Street plans are not enough," Mrs. Eskin said. "The long-standing need for this street points out the urgent necessity of electing supervisors who know every part of the county and will act objectively and unselfishly in the public interest."

"Meanwhile, a winding residential street that was never intended to carry inter-community traffic, has been bearing the brunt of the traffic, now

Becker Praises His Supporters In Judge Race

Charles Becker, 42-year-old Daly City candidate to succeed Municipal Judge Thomas L. Bocci Jr. in the June 3 primary election, today finalized his campaign with praise for his supporters and confidence in his chances of victory.

Backed equally by labor, management and community leaders, Becker, former city judge of Colma and for 17 years a prominent attorney, stated:

"My foremost concern in Tuesday's primary is that voters select their municipal judge on the basis of the candidate's record, his social and professional conduct, and his ability to administer the office fairly and with dedication."

"I sincerely thank all the people who have worked so diligently for my campaign. I am confident the response I have received is indicative of wholesome, district-wide acceptance. I am particularly proud of the manner in which my campaign has been waged. The clean and sincere efforts of my supporters is most gratifying."

Becker concluded: "A judgeship, of course, is a non-partisan office—as it should be. I respect the duty of a judge to give an honest, fair and impartial hearing to all individuals, and it shall always be my purpose to conduct the court in accordance with the highest principles of dignity and integrity."

Becker and his wife, Norma, have lived at 5 Fieldcrest drive, Daly City, the past nine years. They have three children, two presently attending school.

HAANEN, PATRON REPEAT AS ALL-LEAGUERS

SPORTSWRITERS BALLOTING

Tapia, Ryan, Kennedy Earn Mention; Ram McHugh, Too

By Roy Hurlbert

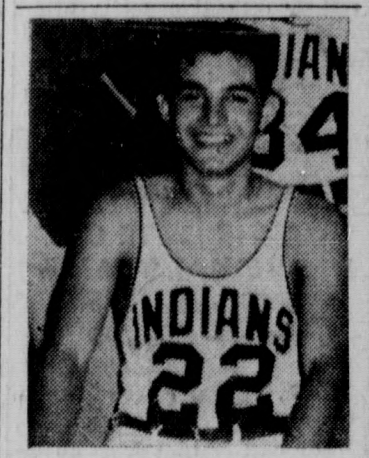

Senior vets Ino Patron and Barrie Haanen of Jefferson bagged All-Peninsula League honors Thursday as Peninsula Sportswriters Association honored the best prep performers in the seven-school circuit.

The scribes picked an 11-man (two alternates) first squad, and an honorable mention team. Jeff's Gary Ryan, Paul Tapia and Jerry Kennedy were named to the honorable mention list.

Undeclared Capuchino, as expected, dominated the first teams, with six boys chosen. Southpaw Darrell Weber, Cap's sensational hurler, was the unanimous "Player Of The Year."

Patron thus was named to

the top team for the third straight year, while Haanen's recognition matched his superb effort of last season. Both were outstanding for the runnerup

TAPIA TAMES HILLSDALE IN TRIBE FINALE

Paul Tapia's six-hit hurling gave him his seventh win and Jefferson second place Friday as the Tribe downed Hillsdale, 4-2, in San Mateo in final Peninsula League action.

Capuchino won the crown with a 12-0 mark, whipping Burlingame, 12-1, last week.

A four-run sixth won for Coach Steve Mezzera's diehards over Hillsdale. Catcher Jerry Kennedy's three-run homer was the most damaging blast. All-leaguer Ino Patron also pulled a fancy squeeze bunt to move in the fourth run.

Jeff's only losses were a pair to spotless Cap and a close to South City.

Cap's triumph made it a sports sweep for the San Bruno school. They won in football, basketball, baseball, and also in golf last week.

Westmoor lost to San Mateo Friday, 10-6, to remain in the cellar. Cap lefthander Darrell Weber fanned 14 in the wind-up with Burlingame. One metropolitan paper named him "Northern Cal Player of the Year."

Paced by ex-Jeff High ace Steve Opperman and Wayne Giusti, Capuchino won the Peninsula League golf title last week at Sharp Park.

Westmoor's Rams finished fifth in team stroking, while Mike Orlich's green Jefferson squad was last.

Opperman claimed medalist honors a second straight year with a 74.

Esther Olds Honored By Bridal Shower

A bridal shower here recently honored Miss Esther Olds, who will become the wife of Alfred Perry of Daly City in nuptials at Eureka on August 2.

Mrs. Louis Bottarini and Mrs. George Valente, aunts of the bride, hosted the shower, held at 66 Theta avenue. Miss Olds, her mother and sister, from Eureka, were spending the weekend with Mr. and Mrs. Joe Perry, 1058 Hanover.

Those attending included, the Mesdames: Joe Bologna, Ken Hull, Ray Valente, John Gama, Joe Sutherland, Antonio Bologna, Arthur Hermosillo, Manuel Roberts, Joe Valente, Aminda Justice, Manuel Garcia, Chester Bologna, Louis Cioanesi, Eddie Waltzin, Mary Conti, Joe Pardini, and Esther Olds, Bernice Foley and Phyllis Olds.

Others selected to the first squad were first baseman Ray Cortes (Cap), shortstop John Condren (Cap), third baseman Len Nicholson (Hillsdale), catcher John Orchard (South City), Gary Russell (Cap) and Jim Patrick (South City) in the outfield, and pitcher Rick Redman (Hillsdale).

Gene Tagliaferri and John Papini of Capuchino were first team alternates in the "utility" category.

The honorable mention list included catcher Tom McHugh, Westmoor's fine receiver, and Jerry Scattini (Cap), Dave Joost (Burlingame), Hans Kramer (San Mateo) and Larry Hamann (Hillsdale).

Westmoor Nine Lose To Mateo In Windup, 9-6

Despite four hits by center-fielder Ray West, Westmoor's Rams lost to San Mateo, 9-6, Friday in the Peninsula League finals for both teams.

Defeat left Coach Rod Losberger's sophomore-laden Daly City nine in the basement with a 2-10 mark.

Bob Goodwin, who gave way to Dave Simons in the third, got the hit loss.

Losberger started an all-senior squad. Only regulars he loses by graduation are West, Sid Swanson and Rich Hottel.

Tom McHugh, soph catcher, led the Rams at the plate with a .355 average. Pitcher-outfielder West finished at .348.

MANAGER Steve Mezzera directed Jeff High's Indians to second place in the Peninsula baseball campaign this year. His freshman try as skipper ('57) brought a North Peninsula League championship to Daly City. He's a University of Oregon graduate.
